Acadia Blvd., San Diego, CA 92111</p>	<p>The Child's Primary School is a private, independent K-8th grade school, where we are looking for children who want to learn and want to be excited about school. We believe learning should be fun and we try to make learning fun and engaging for our students through hands-on activities and project based learning. At TCPS we strive to educate the whole child by providing a balanced education which includes academic excellence, social emotional growth, and happiness in school, all focused on a curious child who is engaged in the educational process and respected as an individual by teachers. We can do all this and more in our small classes and small school community. All we ask is that they WANT to learn. Call or email for a tour or look on our website at tcps.org to learn more.</p>	<p>Phone: 858-576-2120 / Email: admissions@tcps.org</p>
