On Thursday, Dec. 13, preschoolers and their families enjoyed a fun-filled night at school as the Addison Early Childhood Center held its annual Winter Celebration. Students were able to visit with Santa, get a holiday tattoo, take a picture with their favorite Frozen characters, and listen to carolers while enjoying some snacks. Parents had the opportunity to find their children's artwork among the reindeer, trees, gingerbread, and ornaments decorating the school hallways. They also were able to pick up resource materials from a number of local agencies, including the YWCA, Addison School District 4, Addison Fire Protection District and the Addison Early Childhood Collaborative (AECC).
