

February

From the Teacher

The students are continually building upon their knowledge and developing essential social and educational skills. We have seen the students grow by leaps and bounds. As we move forward, We want to again encourage you to assist your child with mastering their multiplication facts and increase their comprehension skills by utilizing the five finger retell after they read. We are also working hard to prepare for the SBAC test.

Mark Your Calendar

2-14 Valentine's Party

2-15 Flag Ceremony

2-15 End of Grading Period 4
