Go Gold For A Cure!

September is Childhood Cancer Awareness Month

Please join us on Friday, September 27th to fill school hallways, football stadiums and volleyball gyms with as many GOLD shirts as possible.

We want to turn the red, white and blue state GOLD in September!

All proceeds go to Pediatric Cancer RESEARCH

Each year, the parents of approximately 15,700 kids will hear the words “your child has cancer.”

- **Every day, 43 children are diagnosed with cancer.**
- **1 in 8 children diagnosed with cancer do not survive.**
- **Less than 4% of US federal funding is dedicated to childhood cancer research.**
- **60% of children who survive cancer suffer late-effects, such as infertility, heart failure and secondary cancers.**
