## Superintendent's Corner - May

Dear District 92½ Parents, Guardians, and Community Members:

We are heading into our last full month of school for the 2018-2019 school year. I cannot believe how quickly we have moved through the year. Just a reminder that the updated last day of school for Kindergarten through 7th grade is June 5<sup>th</sup>. June 5<sup>th</sup> is an early dismissal day for students. (The last day for Early Childhood/PreK and 8<sup>th</sup> grade is June 4<sup>th</sup>.) Please make sure to update your calendars.

I am excited about partnering with Right at School next year for before and after school programming. Students will have the opportunity to complete homework before joining in curriculum-based enrichment activities. Students will engage with math and science, reading and writing, nature and outdoor learning, creative and performing arts, composition and design, history and commerce, fitness and conditioning, and community service learning.

Parents will be able to work with Right at School to create flexible monthly schedules that support families' busy lives. Drop in care is also an option. A Parent Forum is scheduled with Right At School for Wednesday, May 8<sup>th</sup>, at 6:00 p.m. at Westchester Primary School. This forum will help answer any questions you have about their program and will provide you the opportunity to preregister for the 2019-2020 school year. Please join us for the forum if your schedule permits.

As we close out this year, we need to begin talking about next year! We will start student registration for the 2019-2020 school year on July 10<sup>th</sup>. Once again, this year all returning families must register online through your Home Access Center (HAC) account. HAC is the same website and login you use to check your child's grades. You will be required to upload documents online that prove your residency; no in-person or document drop-off will be available. Video tutorials to help guide you through the process are posted online. Timely registration will allow principals to staff their buildings adequately, so we ask that you do not delay in registering your children. Teacher assignments and student schedules will be shared beginning the week of August 12<sup>th</sup>. Registration for new students will also start on July 10<sup>th</sup>. Please contact the school offices to make an appointment to begin the process for new student registration.

I am really looking forward to all of the activities we have this month that highlight our excellent staff and students. Please make sure to check the May calendar on our District website at <https://www.sd925.org/apps/events/> for all important dates and events.

If you have any questions or concerns, please feel free to email at [psalemi@sd925.org](mailto:psalemi@sd925.org) or call me (708-670-1927). Have a great month.

Sincerely,

Philip Salemi  
Superintendent
