

BIRTHDAY CELEBRATIONS

Dear Endeavour Families,

Just a friendly reminder, due to a growing number of Endeavour students having severe allergies to nuts, milk products, wheat, soy, strawberries, and more, FOOD TREATS OF ANY KIND WILL NOT BE PERMITTED WHEN CELEBRATING STUDENT OR TEACHER BIRTHDAYS.

★ Some non-food options/suggestions are listed below should you choose to purchase novelties for each child in the classroom to celebrate your child's birthday.

Stickers

Colored Pencils

Note pads

Erasers

Crayons

Stencils

Books

Theme pencils

Other options for celebrating your child's birthday include but are not limited to...

- ◆ Donating a book to the library or classroom with your child's name inside
- ◆ Donating a ball or jump rope to the classroom for recess.
- ◆ Purchasing a small balloon bouquet for your child

Additionally, parents should confirm in advance a day and time to celebrate their child's birthday with the teacher (Birthday celebrations should last no more than 5 minutes and should be held in the afternoon - preferably towards the end of the day).

We appreciate your support and understanding as we continue to reflect on how to provide all students with a safe and healthy environment.
