Give your teacher a treat for the end of the week! Gift cards, sweet-treats or pampering items are all great ways to say "Thank You".

LdVCs' Teacher Appreciation week is here!! Please let your child's teacher(s) know how much you appreciate them and all they do on a daily basis. The above weekly calendar notes are gift themes for each day of the week. You do not have to stick to these themes - they are just ideas to get you started! Thank you!
