

Zion's Prayer Page

January 27-February 2, 2019

Sunday Zion's Outreach Committee is again planning to sponsor a "**Dinner and a Movie Night**" on Friday, February 15 at Zion, starting at 6:00 p.m. Pray that many might find this an opportunity for Christian fellowship and growth in the new year.

Monday Today is the beginning of National Lutheran Schools Week, an opportunity for Lutheran schools around the country to show their excellence in education and love for Jesus. Pray for **students and teachers in Lutheran schools** that they would grow in Christ's love each day.

Tuesday **Kathy Sawallisch** is recovering from surgery this past week. Pray that God grant her a good recovery and a return to normal activity.

Wednesday During these days of extreme cold, we give thanks to God for the work of the **MORE Center** and similar places that provide aid to those in need of food, clothing, and warmth. Ask the Lord to bless their work for many years to come.

Thursday Anne Frisbee (daughter of Edgar and Dolores Finke) was diagnosed with cancer a couple of weeks ago. Ask the Lord to walk with Anne and her family as a loving Good Shepherd during these days.

Friday Today kicks off the annual **Zion PTL Girls' Basketball Tournament**. Ask the Lord that a spirit of oneness in Him might prevail during the competition.

Saturday This coming weekend **Pastor Matt Wood** (a seminary classmate of Pastor Ripke) will be preaching in worship. Pastor Wood is preparing to serve as a missionary in Indonesia. Pray for Pastor Wood and all missionaries, that the Word of God might be proclaimed to all nations through them (and us!).
