

August 2018

Dear Students and Parents,

Maschio's is extremely excited and honored to be chosen by Phillipsburg Community as your dining services provider. We are committed to delivering the best services, products and programs. This means we work diligently to further student well-being and achievement for your school district and community. As we begin this new school year, Maschio's stands ready to provide students with a healthy and delicious food program to help them develop and achieve.

In the recent past, the USDA required significant changes to school meals in an effort to curb childhood obesity and promote better overall health through the [Healthy, Hunger-Free Kid's Act](#) (HHFKA). We are committed to providing healthy and delicious meals for the students we serve across the region. We also work to provide students the necessary tools to make healthy choices throughout their lives.

**2018-2019 Pricing:**

**Breakfast-** FREE to all students in the Phillipsburg School District

**Lunch-----** -Reduced status price.40.
