School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018-19)

Mission Statement: Inspire * Believe * Achieve

Vision Statement:

Inspire ~

The entire staff at Meadow Lane Elementary School support, include, and serve all students from across our community - creating a culture of excellence; challenging them to be successful, continuous learners, academically, socially and emotionally.

Believe ~

Using student-centered curriculum and engaging instruction, enhanced with cutting-edge technology, we provide positive and safe classrooms that focus on the whole child.

Achieve ~

With students, families, and community as equal partners, we are dedicated to preparing confident, healthy, respectful, and responsible students who can succeed and be productive tomorrow, next year, in high school, and in their post-graduation college and/or work careers.

Meadow Lane Elementary School is a child-centered educational institution. All students receive a rigorous and rich education, incorporating exemplary programs at all grade levels. The academic curriculum encompasses specific skill-based instruction, coupled with problem-solving and higher level thinking skills. Progress is achieved through various means including:

- Using the State-adopted core curricular program, supported by supplemental enrichment options for reading and math instruction
- Reorganizing the instructional day to allow flexible extended blocks of time to reinforce math and reading instruction
- Providing extra support and targeted intervention
- Offering after-school tutoring
- Presenting one-to-one technology for each child either with an iPad or Chromebook
- Providing a student-friendly, state-of-the-art computer lab, linking student standards to curriculum
- Addressing the needs of the whole child through our enrichment and fitness programs
- Maintaining an active external community support system

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Teachers	School			District
	2016-17	2017-18	2018-19	2018-19
With Full Credential	20	22	16	55
Without Full Credential	1	3	2	4
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

Teacher Misassignments and Vacant Teacher Positions

Indicator	2016-17	2017-18	2018-19
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments *	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Year and month in which data were collected: December 31, 2018

Textbooks and Instructional Materials

Two teachers from each grade level are selected to serve on the county selection committee. The committee has two days to look over all the materials that the county has provided to see which programs these teachers want to pilot. The selection committee makes a recommendation to the superintendent.

The superintendent takes the recommendation to the board, and the materials are adopted.

The most recent public hearing to adopt a resolution on the sufficiency of instructional materials was in June 2018.

The most recent adopted textbooks were chosen based on the state-approved list. The textbook content fits within the curriculum framework adopted by the state.

Meadow Lane Schools adopted curriculum as follows:

Wonder, McGraw-Hill 2012 Reading/Language Arts

Everyday Mathematics, McGraw-Hill 2-15 Mathematics

Studies Weekly, Science 2018

Scott Foresman History-Social Science for California (K-5) 2006 History/Social Science

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	Wonder, McGraw-Hill adopted in 2012. All textbooks and materials are current, in good condition, and available to all students.	Yes	0
Mathematics	Everyday Mathematics, McGraw-Hill, adopted in 2015. All textbooks and materials are current, in good condition, and available to all students.	Yes	0
Science	Studies Weekly, Science, adopted in 2018. All textbooks and materials are current, in good condition, and available to all students.	Yes	0
History-Social Science	Scott Foresman History-Social Science for California (K-5), adopted in 2006. All textbooks and materials are current, in good condition, and available to all students.	Yes	0

School Facility Conditions and Planned Improvements (Most Recent Year)

Meadow Lane Elementary School was built in 1960. The school is comprised of regular classrooms, classrooms fitted for the needs of our special education students, a PE room, a learning center and a library, a computer lab and a multipurpose room, and a new on-site preschool.

Students cannot learn well when they are worried, anxious, or afraid, so all of our district schools provide a safe, clean learning environment. School buildings and grounds are well-supervised and each campus has a strict registration policy for all visitors. In addition, all sites have procedures in place to handle emergencies such as fires, earthquakes, or intruders on campus. Procedures are practiced regularly so that students become comfortable with them and are prepared for emergencies.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)						
Mathematics (grades 3-8 and 11)						

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students				

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Mathematics by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percentage of Students Meeting or Exceeding the State Standard					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
Science (grades 5, 8, and 10)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2017-18)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

Parent involvement is an important component of our school. We offer an array of programs intended to generate and encourage parental involvement. Parents are welcome to participate in activities such as the School Site Council, Booster Club, Carnival Committee, Family Reading Nights, field trips, classroom volunteering, assemblies, and many other special events throughout the school year. Parents may contribute through volunteering, serving on committees, supervising clubs, and helping with fundraising. Please contact the school office to find out more about these opportunities.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
Suspensions	3.4	4.2	3.7	5.4	8.1	7.4	3.7	3.7	3.5
Expulsions	0.0	0.0	0.0	0.1	0.3	0.0	0.1	0.1	0.1

School Safety Plan (School Year 2018-19)

Each school within the Cascade Union Elementary School District has a Comprehensive School Safety Plan that is developed in consultation with the Anderson Police Department, the Shasta County Sheriff's Department, school site council, and School and District administration, and is reviewed on an annual basis. The plan includes procedures for many potential hazards including disaster response, intruder or weapons on campus, accident response, general emergencies, and school evacuation procedures as well as reporting procedures when child abuse is suspected. Staff meets regularly to discuss safety issues and takes proactive steps to prevent school-related safety issues. The Comprehensive School Safety Plan is available for public inspection at all schools throughout the District. The safety plan was last reviewed in January 2019.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Average Class Size and Class Size Distribution (Elementary)

Grade Level	2015-16				2016-17				2017-18			
	Avg. Class Size	Number of Classes			Avg. Class Size	Number of Classes			Avg. Class Size	Number of Classes		
		1-20	21-32	33+		1-20	21-32	33+		1-20	21-32	33+

Professional Development (Most Recent Three Years)

The Cascade Union Elementary School District annually schedules time for professional development sessions for our teachers. Additional site-based staff development opportunities occur at school sites after school, during evenings, and over summer vacation. Various training opportunities have included topics such as Common Core Standards-Based instruction; iReady for reading and math; reading and literacy instruction; math, science, and social studies curriculum support; assessment information; technology integration; student asset development; nutrition and physical education; brain-based learning; and a framework for understanding and working with at-risk students. Release days are also provided during the school year for teachers to collaborate on the writing benchmarks. The central goal is to provide teachers with opportunities to collaborate with colleagues to focus on research-based techniques in order to improve their practice as educators. New district teachers have opportunities to take part in Alliance for Teacher Excellence (ATE), a program which pairs novice teachers with their veteran counterparts who come alongside them work diligently to expand their proficiencies with lesson design, time management, curriculum best practices, common core standards, and appropriate assessment procedures.
