Introduction

Radford City Schools has a firm commitment to performance evaluation of all school division personnel, whatever their certification or level of responsibility. The primary purpose of such evaluations is to assist personnel in professional growth and in achieving division goals. The procedures outlined in this document apply to every non-certified division employee. Teacher and administrator evaluations are addressed under a separate program.

Objectives

The formal performance evaluation system is designed to:

- A. Maintain or improve each employee's job satisfaction and morale by letting him/her know that the supervisor is interested in his/her job progress and personal development.
- B. Serve as a systematic guide for supervisors in planning each employee's further training.
- C. Ensure the employee's performance and focus maximum attention on achievement of assigned duties.
- D. Assist in determining and recording special talents, skills, and capabilities that might otherwise not be noticed or recognized.
- E. Assist in planning personnel moves and placements that will best utilize each employee's capabilities.
- F. Provide an opportunity for each employee to discuss job problems and interests with his/her supervisor.

 4. Investigating and resolving any disagreement(s) between the supervisor and the employee.

Procedures

Each non certified employee will receive an annual Performance Evaluation. The evaluation will be prepared during the month of May and will cover the period of September through May. The Employee Performance Evaluation Form (Appendix A) will be used to document the performance evaluation for all support personnel. The forms will be completed, typed and returned to the reviewing official by June 1 of each school year. Upon receipt of the evaluation form, the following actions will be accomplished:

- A. The Reviewing Official will:
