Montour Elementary School Title I Parent and Family Engagement Plan 2018-19 School Year

Schools receiving Title I funds must have a written Parent Involvement Policy/Plan aligned with the District policy and evidence that it is updated annually and has been distributed to parents. Meet with parents to answer the following questions:

1. The Montour Elementary School involves parents in the planning, review, and improvement of this Parent and Family Engagement Plan by creating a parent council. The parent/family council permits parents to update, review, and advise during this council meeting.
2. The Montour Elementary School will hold an annual Title I parent/family meeting to explain the requirements of the program and their right to be involved such as, but not limited to, the second semester of the academic year.
3. The Montour Elementary School will hold parent meetings and conferences at various times during the day to accommodate parents/families' needs such as, but not limited to, morning and evening meetings and workshops, phone conferences, and home visitations if needed.
4. The Montour Elementary School will make reasonable and necessary accommodations to enable parents to participate in school-related meetings and training sessions such as, but not limited to, morning and evening meetings and workshops, phone conferences, annual Title I parent meeting, interpreters for non-English speaking individuals, the availability of sign language, and home visitations if needed.
5. Parents will be involved in the planning, review, and improvement of the school's Title I program by voicing their opinions on the parent council, at parent conferences, the annual Title I parent meeting, parent workshops, and the district's annual open house.
6. The Montour Elementary School will provide parents of participating children with timely information about the Title I program by distribution of the Home School Connection, the annual Title I parent meeting, parent workshops, the availability to access the district's Title I website, and the ability to access Skyward student system.
7. The Montour Elementary School will provide parents of participating children with a description and explanation of the school's curriculum, the forms of academic assessment used to measure student progress, and the proficiency levels students are expected to meet at the annual Title I parent meeting and the district's annual open house.
8. The Montour Elementary School will provide assistance to parents in understanding the State's academic content standards and student achievement standards, local academic assessments and how to monitor a child's progress and work with teachers to improve the achievement of their children by covering these procedures at the annual Title I parent meeting and parent workshops.

9. The Montour Elementary will provide, if requested by parents, such as, but not limited to, opportunities to speak with Title I personnel at regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible.

10. The Montour Elementary School-parent compact was jointly developed with parents and the compact outlines how parents, the entire school staff and students will share in the responsibility for improved student achievement. This compact was jointly developed with parents in October. It will be distributed at the annual Title I parent meeting. Parental feedback on the document will be requested.

11. The Montour Elementary School provides materials and training to help parents to work with their children to improve their children's achievement, such as the Home School Connection, LLI parent communication forms, Title I parent workshops, the annual Title I parent meeting, and parent/teacher conferences to foster parent involvement. This plan was reviewed and updated on (date)_____ by the Montour Elementary Parent Council, signature page attached.
