# 2020 Shamrock Shootout

## Official Rules

1. Each student must have a parent sign a Registration/Release Form to be eligible to play.
2. Maximum 4 players per team.
3. All teams must have three players present to start a game. No roster changes or additions of players allowed after the start of team's first tournament game. Team members that start the tournament must play throughout the whole tournament with no additions or substitutions. Any team that cannot field at least 3 registered team members at the official start time of any game must forfeit that game.
4. Each team must check-in at the registration table 15 minutes prior to start of their first game.
5. All games will start at posted times. Forfeiture occurs at posted game time.
6. Each team is responsible for furnishing a game ball.
7. A coin flip at the start of the game will determine the first possession and game ball if necessary.
8. Scoring: One (1) point per basket. The first team to reach 15 points or the team that is ahead at the end of the 15-minute game wins. Games tied at the end of regulation will be decided by a sudden death free-throw contest (3 players from each team, one shot for each player; team with most made baskets wins). A coin flip determines which team shoots first (alternating shots).
9. **All games will be officiated by a referee. Referees will keep official score.**
10. Excessive fouling or foul calling and rough play will not be tolerated. The PATS Club and tournament officials reserve the right to eject any player from the tournament for improper play or conduct.
11. After every change of possession and after a score, the ball must be taken behind the backcourt line, checked, and passed in to begin play. Failure to do so will not result in a point for the other team; rather, the team failing to take the ball behind the backcourt line before making a shot will lose possession of the ball and the basket will not count. Shots made from beyond the backcourt line will not count as scores.
12. When the referee determines any team is intentionally stalling, the referee will announce "Stalling!", and the offensive team will have five seconds to take a shot. If a shot is not taken within five seconds, the ball will be awarded to the defensive team.
13. All teams will be placed randomly into a double elimination bracket. The schedule will be posted in the school gym. Be aware of your next game time and court. Forfeiture occurs at posted game time!
14. Awards will be given to each team member of the first and second place winners.
15. Remember, this is a double elimination tournament. Your team is in until you lose twice.
16. All questions should be directed to an official at the registration table in the gymnasium.
17. Players, parents and spectators are required to conduct themselves in a respectful manner and must defer to the decision of the referees and tournament officials or risk ejection.
18. Proper attire is required while at the Shamrock Shootout. No sagging shorts.
19. St. Patrick School and/or The PATS Club will not be responsible for theft or loss.
20. Be careful of your belongings, you may change in the locker room
21. **No parent or spectator coaching!**
22. **Referee's score is OFFICIAL and FINAL.**
23. Parents are not to leave children unattended or unsupervised at St. Patrick School or St. Patrick Church during the event.
