

As we approach the 100th anniversary of Waldorf education around the world, help us make the next century of beautiful growth possible.

Our Mission

The Waldorf School of Atlanta develops in its students the will to become life-long learners by fostering in each student the ability to think with clarity, feel with compassion, and act with purpose in the world.

Our Vision

The Waldorf School of Atlanta embodies the ideals of Waldorf education:

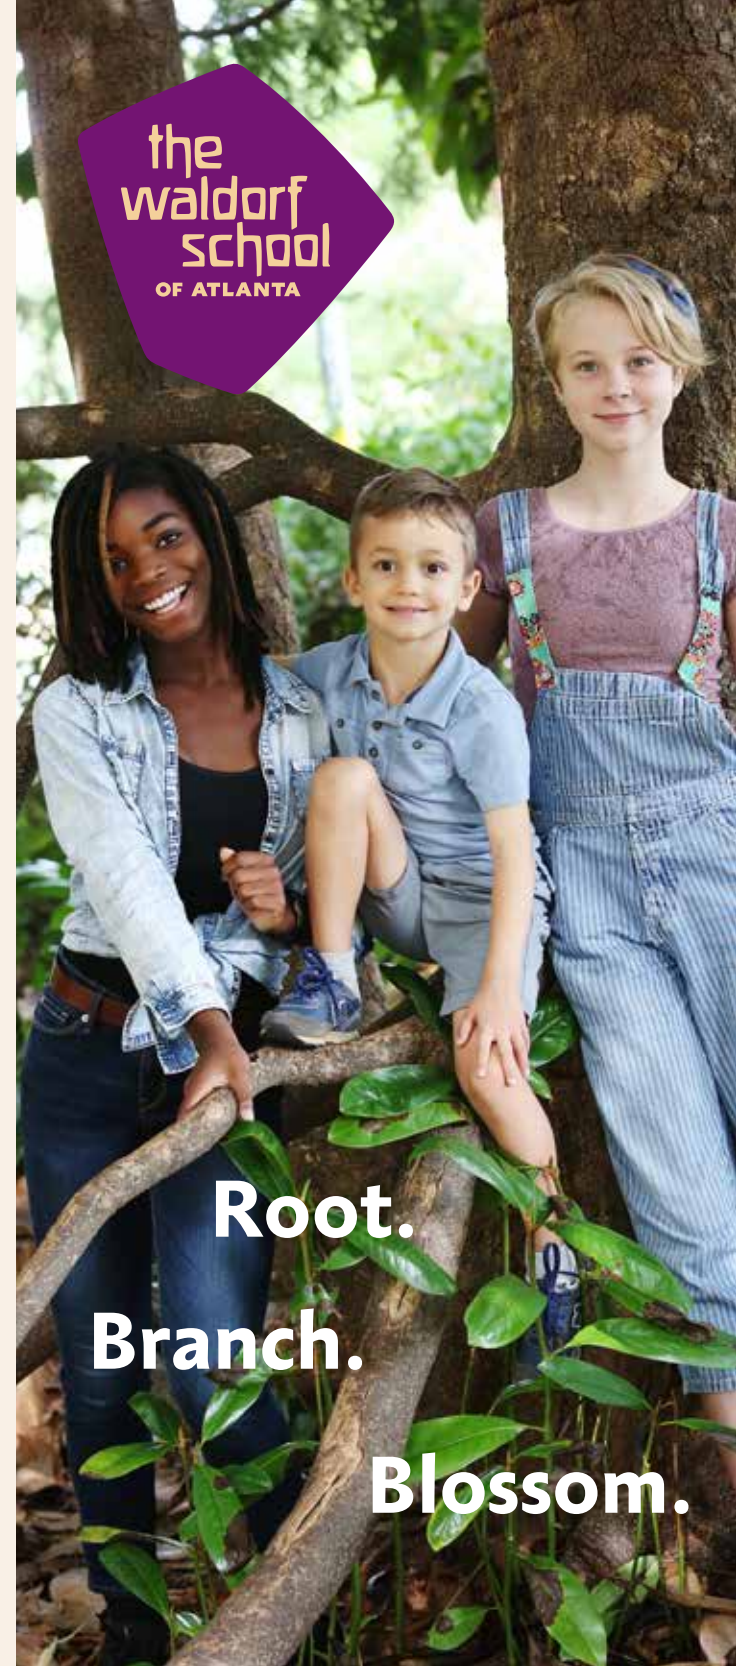

- ♦ The sanctity of childhood
- ♦ An abiding sense of wonder
- ♦ An evolving quest for truth

The Waldorf School of Atlanta celebrates 32 years of sharing the gift of Waldorf education in Atlanta by preparing students to engage in their communities and the world. If you are able, please consider an increase to your donation from last year, as your continued generosity enables us to broaden the scope and inherent value of what we offer at our school.

The Waldorf School of Atlanta provides a unique setting for the flowering of Rudolf Steiner's concepts of meaningful child development, fostering a continuing enthusiasm for learning.

Tuition alone does not cover the cost of providing an exceptional educational experience for students at the Waldorf School of Atlanta.

This year the Waldorf School of Atlanta celebrates 32 years of our unique educational program and our flourishing community, which inspires our goal of raising **\$132,000** in 31 days. Your gift to the Annual Fund will support tuition assistance, faculty development, community education, classroom and facility needs.
