

Tribute to Wendy Lo, Beloved AUSD Teacher

by Tammy Scorgia

Wendy Lo, beloved daughter, wife, mother, sister, and teacher, lost her battle with stomach cancer on May 22, 2019. A strong, loving soul, Wendy brought a smile to all those who had the good fortune to know her. Wendy's dedication to family, students, and community was evident in everything she did.

Born in Hong Kong, Wendy came to the United States at the age of two with her family, where they eventually settled in San Gabriel. Wendy proudly graduated from San Gabriel High and attended the University of California Riverside, earning her B. A. and her multiple subject teaching credential.

After graduation, it was a natural fit for Wendy to return to Alhambra Unified, where she spent 17 years teaching students at Ynez Elementary. In 2015, she took on a new adventure as an instructional specialist at Emery Park Elementary, until her passing.

Wendy is survived by her husband, Jimmy Pinedo, three children, Ariana, Darin, Zane, her mother, her sister Nana, and brother Elton. Her loss will be felt by a village of family, friends, and community. Services will be announced for all to attend.
