

Instructions for using Mead's Online Payment System

User Name is your Student's Powerschool ID

--If you do not know your student's ID, please contact your child's school.

Password is the student's **last name** with the First Letter capitalized (case-sensitive, ex. Smith).

****If you have created a PowerSchool Family Account, use the user name that you created. The password will still be your last name with the first initial capitalized. A PowerSchool Family Account will allow you to access all of your children in the same account.*

*Need help creating a PowerSchool Family Account? Click [Parent Portal Setup Instructions](#).
