Request for Waiver to Residential Developer Fees

Date: _____

Dear Needles Board of Trustees:

Please consider my request to waive the residential developer fees on the new construction of my personal family home with the Needles Unified School District. The building of my family home meets the following: (list all that apply)

- I am a local resident within the school district's attendance boundaries
- I am building a personal family home
- I am not building this home as a business for resale

Describe the hardship created by paying residential developer fees to NUSD:
