Indian Trail celebrates Project POP

Last week, Indian Trail Junior High School's Project POP (People Offering Positivity) sponsored a Kindness Tunnel as the culminating event to their celebration of Random Acts of Kindness Week.

ASD4 staff and members of the Addison community lined the entrances to school, creating a tunnel of high-fives, smiles, noisemakers and music to greet students as they

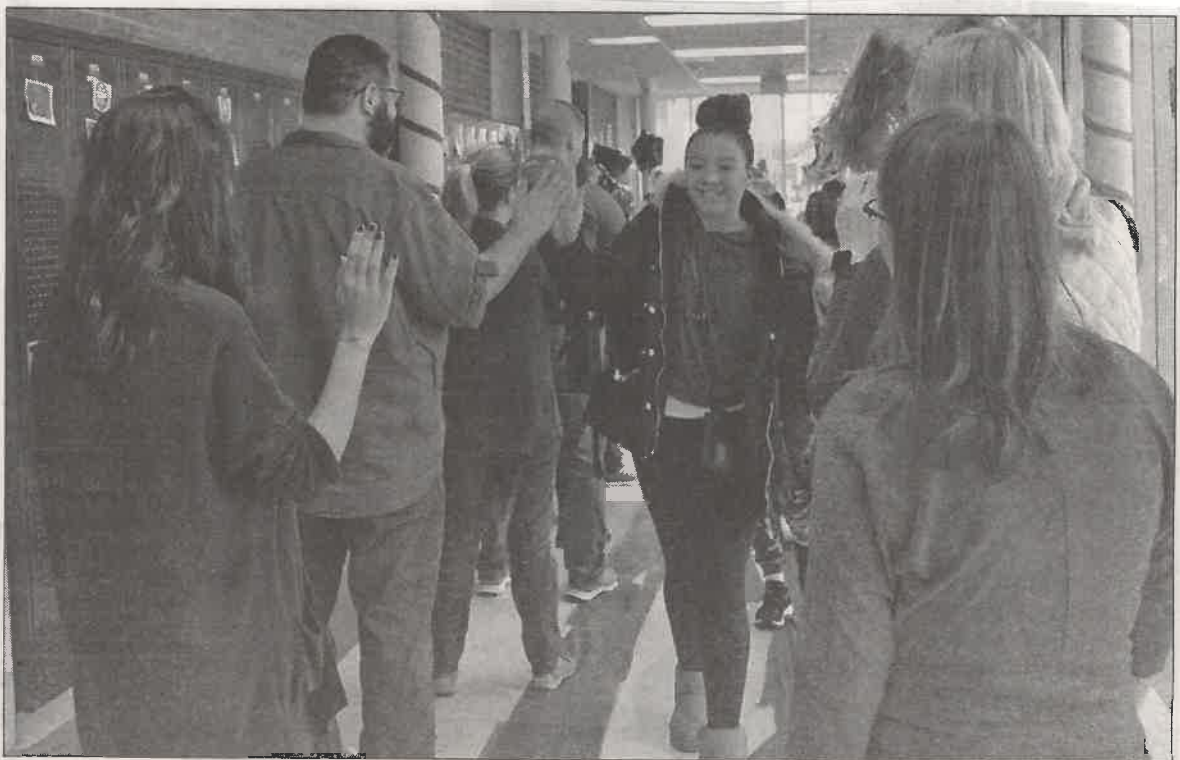

arrived for classes.

Staff sponsors Janelle Bledsoe, Christine Palumbo, and Elizabeth Regalado, work with Project POP members throughout the year to promote kindness and positivity; raise awareness about bullying; prevent bullying; create a safe, trusting, and positive school environment for everyone; and help students build a positive sense of self-worth.
