- Provide you with assistance in understanding academic achievement standards and assessments
- Provide you with ways to monitor your child's progress
- Provide opportunities for ongoing communication between you and teachers through:
  - Frequent reports regarding your child's progress
  - Opportunities to talk with staff, and participate in your child's education
  - Observation of classroom activities if desired
  - Participation in parent-teacher conferences, if appropriate

### *Parent's Responsibility:*

- Encourage your child to show positive school behavior and character qualities
- Review your child's school work regularly
- Encourage positive use of extracurricular time, and monitor your child's appropriate use of technology
- Volunteer in your child's school activities if time or schedule permits

### *Student's Responsibility:*

- Attend school every day on time and ready to learn with a positive attitude
