

1 DAY 1 DOLLAR

No-Shave November began as an idea, a chance to recognize those who had endured so much. In an effort to promote cancer awareness, we asked our school if they were willing to forgo shaving for one month. We asked if they were willing to sacrifice for something bigger than themselves. Yet, we wanted to do more. We wanted to make a difference. El Dorado ASB introduced "1 day 1 dollar," an exciting new concept. Quite simply, we asked every student and staff member to donate one dollar in hopes of creating a scholarship fund for those touched by cancer. Four quarters, a small but significant contribution. A tribute to the school we are and the place we strive to be. We want every student to remember that we are in the nest together, through thick and thin. Cancer is often the source of so much darkness, so much despair. However, it creates empowered individuals. Individuals that will rise up out of life's darkest moments. The annual "1 day 1 dollar" scholarship is a tribute to those people. A reminder that we must support those around us. We are a family. A family whose collective light will always shine brighter than the darkness that surrounds us. Spirit Never Sleeps.

Name: _____

\$500 Scholarship To Be Awarded

Scholarship Criteria:

- Current El Dorado senior
- Affected by cancer
- Engaged in EDHS activities
- Cares about EDHS
- Bleeds black and gold

Please list your involvements at El Dorado High School:

-
-
-
-
-

Future Goals (Possible careers, colleges applying, college acceptances and possible majors. Include personal goals as well as academic goals.)

Please submit an essay on the following subject (500 words maximum):
How have you been affected by cancer? How have you responded to it?

Return your application to Mr. Campuzano by May 15th
