Inclement Weather Information

Non-Emergency School Closure Info

The decision to keep school open, to close or have a delayed opening is based on the ability to safely transport students to and from school. The David Douglas School District makes this decision for all the schools in the district including Arthur Academy. Please check out the following link for more information about how we communicate this information to parents.

Fill-A-Bag Competition

Kona Ice for the School?

Bring non-perishable food items or spare change to school from now until December 21st and drop them in the school office barrel. We are competing against Reynolds and Gresham Arthur Academy to see who can donate the most food to this worthy cause. The school collecting the most food will have a visit from [Kona Ice!](#)

Winter Craft Night

Winter Craft night is Friday, December 14th. Join us at 5:30 for a chili dinner in the lunchroom provided by the 5th graders (\$3/person suggested donation). Crafting will start at 6pm (\$4/crafter or \$10/family) in Kindergarten. This event can't happen without lots of volunteers! Contact Raychel Caputo at rwilderness@yahoo.com or 503-784-5690 if you can help.

Moby Max Challenge

Last year, our 3rd and 5th grade classes won the trophy for logging the most minutes during our Moby Max competition. We are hoping our students will do just as well this year. There are also rewards for students who meet the monthly goals (listed on the Moby Max flyer). Students meeting these minutes will have a free dress day in January.

RACS

Required Assignment Completion Sessions (RACS) are for students not completing their daily assignments. Completing assignments are an important part of our students' progress within our academic programs. Thank you.
