With warmer temperatures right around the corner, the Kern High School District (KHSD) would like to reduce heat exposure to our employees and the community while still providing nutritious meals by adjusting meal service times. Beginning on Monday, May 4, 2020, KHSD Nutrition Services will provide free grab and go meals to children ages 2 to 18, between 10:00 am and 11:30 am, Monday through Thursday.

To assist in the fight of hunger, and in addition to breakfast and lunch meals, KHSD Nutrition Services will be adding the Supper Program beginning on Monday, May 11, 2020, serving breakfast, lunch, and dinner between 10:00 am and 11:30 am at the sites that previously qualified for the Supper Program.
