District Wide STEAM Night

The Red Lion Area School District invites all grade 3 RLASD students and families to join in on an exciting hands-on opportunity exploring the 2019 theme of food and water during the Elementary STEAM Night. One session from 6-8 PM will be held at the RLASD Junior High School. Please use this form to sign-up for the event so that we may ensure both space and materials are available for those families that are participating. Please register for the event by providing the name of your Gr. 3 child, select his/her home school, and then select how many individuals in your family will be attending. If you have any questions about the evening, please contact keyt@rlasd.net for further information. RLASD is excited to plan events that welcome families, such as yours, back to our schools and participate in learning and having fun with your children. We can't wait to see you during Gr. 3 Elementary STEAM Night, November 14, 2019. Be sure to book your spot by November 1st!
If you have been to the dentist, please return your Family Dental Report located [here](#).

### Counselors’ Corner

#### Fall Food Drive

**November 1 - November 22**

All elementary schools in the Red Lion Area School District will be collecting food items during the month of November to assist families within the Red Lion community. The following individually sized items are being collected:

- Small, individual boxes of cereal
- Small cups of peanut butter
- Fruit cups
- Small bottles of water
- Milk boxes
- Small boxes of raisins
• Juice boxes
• Macaroni and cheese cups
• Microwaveable pasta cups
• Chicken/tuna salad with crackers
• Packs of crackers
• Small packs of pretzels
• Small packs of popcorn
• Granola bars
• Applesauce cups
• Gelatin cups
• Pudding cups

Donations will be accepted November 1 through November 22, 2019. Please be sure that items are nonperishable.

All donations will help support Community REACH. This organization helps families who need assistance within the Red Lion Area School District. To find out more about how your donations will help, please visit their website: http://www.commreach.org. If you have any questions about the food drive, you can contact your school counselor.

Thank you for your generous donations!

News from our Buildings and Grounds Department

ASBESTOS NOTIFICATION

The Red Lion Area School District has a proactive asbestos management plan which includes routine bi-annual inspections by district personnel who are trained and certified for US EPA Asbestos Hazard Emergency Response (Act 40 C.F.R 763) and every third year inspections by a U. S. EPA Asbestos Hazard Emergency Response (Act 40 C.F.R 763) state-certified inspectors.

Copies of our asbestos management plan are on file at every building and the Education Center at 696 Delta Road, Red Lion.

The following district buildings are asbestos free: Red Lion Area Junior High, North Hopewell-Winterstown Elementary, Larry J. Macaluso Elementary, Locust Grove Elementary, Mazie Gable Elementary, Pleasant View Elementary and the Red Lion Area Education Center. The following district buildings have some asbestos-containing building materials such as pipe elbows, transite ceiling tiles, ceiling plaster, drywall and floor tiles which are all in excellent condition. Clearview Elementary, Red Lion Area Senior High School, and Windsor Manor Elementary.
On Saturday, October 12, 2019 the elementary physical education department hosted the first-ever haunted mile cross country run for students in grades K-6. A total of 166 participants ventured through the one-mile course on a crisp fall morning as they were surprised by some characters who appeared along the way. The PE department would like to send a big thank you to all of the participants and volunteers who showed up to make this such a great experience. News from our Cafeterias
Share Tables
For various reasons, students may not always want to consume certain items included in their meals. We have started a Share Table to encourage students to repurpose their unwanted, unopened food instead of throwing it in the garbage. Students may return whole food or beverage items they choose not to eat in accordance with all food safety codes. These items are then available to other students who may want additional servings.

Our Goals are to:
· Provide a space for students to place unopened food to be used by other students, reused in the kitchen, or donated to local organizations, instead of throwing it in the garbage
· Minimize food waste during meals
· Promote sharing principles.
· Demonstrate the importance of community involvement, through donating unwanted food.

Box Tops for Education

The Box Tops for Education program is changing this year. There are two ways we can earn cash for our school!

Clip: If your package has a traditional Box Top clip, cut it out and send it to school (each grade level has a collection bin). We earn cash for all clipped Box Tops until they expire.

Scan: If your package has the new Box Tops label, use the Box Tops app to scan your store receipt within 14 days of purchase. The app will instantly add Box Tops to our school's earnings online.
