

# Adult Residential Services 2018 Bowling Tournament

The Adult Residential Services Without Walls Program held its July Bowling Tournament at Coram Country Lanes.

Several houses faced off in this event: Residents from Scotty Lane, Melrose Parkway, German Boulevard, Radio Avenue, and Mount Sinai Avenue all brought their A game!

Each individual earned a Bowling Certificate for their participation in the competition. While everyone played an excellent ten frames, Noel won the day with a score over 100!
