

March 20, 2020

Dear Parents,

This week has been quite the whirlwind. The sudden change in events has left so many of us shell-shocked, wondering how long life will be upended by this pandemic, and what it will look like going forward. Our teachers and staff greatly missed the daily interaction with your children they had expected to have this final week before Spring Break. We did not even have the chance to give your children a proper goodbye.

Still, our administration has marveled at the grace and courage our teachers have displayed under pressure as they began preparing to teach their classes remotely. We want to personally commend them to you even as we know learning for your child will look different in the coming weeks. As previously noted, distance learning will begin March 30 – April 3. We will notify you in the event a longer closure is required.

As our Spring Break begins, we wanted to leave you with a few words of encouragement. Going forward, with so much uncertainty ahead, let us all remember to keep our eyes fixed on Jesus. He who cares for the sparrow and clothes the lilies of the field will certainly care for His own children. When overwhelmed with anxious thoughts, it is our blessing to cast our cares upon Him. He truly cares for us. A pandemic has not changed this fact.

Please, enjoy this planned time off with your children. We look forward to the day we can see you and your families again in person. What a great rejoicing that will be!

If you have any questions, please do not hesitate to reach out to us.

Sincerely,

Kathy Rader
Head of School
