

## IMPORTANT INFORMATION SEVERE WINTER WEATHER REPORTING

November 14, 2018

Central Valley Early Learning Center follows CVSD procedures for Severe Weather Reporting. A decision by CVSD to close or delay school due to winter weather will be made by 6:00 a.m on the day in consideration. Information regarding a delay or closure will be announced or posted as follows:

- CVSD Blackboard Connect automated messaging system (phone call and/or text)
- [www.cvsd.org](http://www.cvsd.org) - Delays & Closures - Also on this page is the phone number for the Bus Route Conditions Hotline at 509-558-5572 that will announce any bus route changes or delays.
- Radio and Television Stations

Even when school is running on time, buses may be running late as they slow down to safely travel on winter roads. Some buses may follow "snow routes" in the higher elevations of our district.

**If the school district announces a delay of the start of school, all morning preschool classes will be canceled. Afternoon preschool classes will begin at normal times. All day preschool and Extended Day will begin at the delayed time. Example for Extended Day (ExtD): ExtD opens at 7:00am. For a one hour delay ExtD will open at 8:00am. For a 2 two hour delay ExtD will open at 9:00am. Example for all day preschool: School would begin at 9:30am for a one hour delay and at 10:30am for a two hour delay.**

### **Extended Day Parents Note:**

- Extended Day will be closed when CVSD schools are closed for severe weather.

We appreciate your patience and assistance in the event of adverse weather conditions. Your child's safety is a top priority for our school. Thank you!
