**\*\*\*2018\*\*\***

If you're able, you may purchase the following two novels (which we'll be reading during Fall and Spring semesters):

**\**TO KILL A MOCKINGBIRD*** (Harper Lee)

**\**OF MICE AND MEN*** (John Steinbeck)

Note: *You may want to buy your own copies, as buying your own will allow you to make notes, underline, and highlight. However, the West Ranch library has novels in stock for check out at semester's start.*

"Looking forward to **SEEING YOU** in August!"
