# NEEDS-BASED TUITION ASSISTANCE

## PHILOSOPHY

Life Christian Academy is committed to accepting students for admission from diverse socioeconomic backgrounds. In thanks to our Board of Directors, our Tuition Assistance program designates a percentage of our annual budget to support financial aid.

At LCA, we believe that a private school education is first and foremost a commitment and responsibility on behalf of the family of each of our students. While we attempt to meet a percentage of need and encourage any interested family to apply, we do not have the ability to award needs-based financial aid to every family.

## HOW TO APPLY

Admission and Tuition Assistance applications must be filled out simultaneously; however, only those accepted for admission may receive assistance. To apply for Tuition Assistance, Life Christian Academy partners with FAST, an online tool to assess needs and manage the process.
