

Giant Connection

MAR/APR 2019

Principal's Corner

Hello Parents and Guardians of Sequoia:

With March beginning, spring is fast approaching, and the school year is dwindling down. We only have **59 more days** of instruction left of this year. Can you believe it? While that may sound like a short time, it is plenty for students and teachers to get a lot accomplished! Our staff will be working hard to help your students finish off the school year on a high note, as well as assist them in preparation for our testing. Below, you will find a schedule of when testing will be taking place.

ELPAC	STAR ELA/Math	CAA	SBAC
March 4-22	March 18-22	April 1 - May 24	April 24 - May 24

Here are a few strategies to help out students be prepared for these assessments:

- Be prepared - Get enough sleep the night before school.
- Don't be late - Get your student to school on time. Your student can be on campus as early as 7:15 AM.
- Breakfast - If your student is unable to get breakfast at home, make sure they are here early enough to take advantage of school provided breakfast.
- Reframe your thinking - Always believe in yourself!

Also, we currently have our School Accountability Report Card (SARC) for the 2018-2019 school year available to our parents on our Sequoia website, along with an abundance of other information for you and your students.

I look forward to continuing a productive partnership as this school year comes to a close. If you have any questions or concerns that arise at any time, please do not hesitate to give me a call. *Remember, my door is always open.*
