Now that we have had time to work out the meal delivery, we have an adjustment to make. We will be delivering breakfast and lunch together beginning Monday March 23, 2020. The stops we have been delivering meals to this week will be the same. Meals will continue to be available at Bejarano Elementary School between 10:30 a.m. and 12:30 p.m. However, the times will be adjusted to allow one stop. The new schedule will be located on the District Website.

Please watch for information on instructional work to be available next week.
