

# African American Family Advisory Council 2019-20 Meeting Information

---

Please join us at our next African American Family Advisory Council meeting on **September 26<sup>th</sup>, 6:00pm (5:30 for dinner) at Edendale Middle School**. We will be participating in celebration and deep dialogue during the 2019-20 school year, and hope all families can join us. We are pleased to welcome back our guest speaker, Tovi Scruggs-Hussein, who will be leading us on a four session workshop, using her book **Be a Parent Champion**, which we gave out at our AAFAC awards event last spring. Our agenda for this evening includes:

- Overview of the AAFAC group goals and priorities and meetings for the year
- Session 1: **Be a Parent Champion!—tools to build your skills in advocacy and support for your child**

We hope to see you and your family at our event—**bring your book if you have it from last year**—we will be providing childcare and dinner between 5:30-6:00pm for participants.
