[jzimmerman@villamontessori.com](mailto:jzimmerman@villamontessori.com)

Villa Montessori School does not discriminate in any programs or activities on the basis of sex, race, creed, religion, color, national origin, age, veteran or military status, sexual orientation, gender expression or identity, disability, or the use of a trained dog guide or service animal and provides equal access to the Boy Scouts, Girl Scouts, and other designated youth groups.

## Notice Requesting Proposal

### Special Education Student Support Services

Notice is hereby given that Villa Montessori School (hereinafter referred to as Villa) is requesting proposals from qualified entities (hereinafter referred to as Proposer[s]) to provide special education services to students with disabilities as designated via their respective Individualized Education Programs (“IEPs”), or administer additional assessments as determined by the Multidisciplinary Evaluation Team (“MET”), during the 2019-20 school year. Villa may select one or more entities to provide these services.

Proposers may submit their proposal by e-mail to [zimmerman@villamontessori.com](mailto:zimmerman@villamontessori.com). Villa will accept all proposals received on or before April 19, 2019 at 3:00PM Arizona time. Villa may not accept proposals that are received after the deadline.

Villa reserves the right to reject any or all proposals and to waive any errors or corrections in a proposal or in the proposal process. Villa will award the Contract based on a review and analysis of the proposals to determine which proposal best meets the needs of the school.

The process will include a review and evaluation of Proposer’s methodology and the procedures that they will employ to provide the services identified in this RFP. To the extent that a Proposer has past experience providing similar services to this or other educational entities, this information should be indicated in the proposal.

#### I. Overview

**School Information:** Villa Montessori Charter School has an enrollment of approximately 490 students in Kindergarten through 8th-grade. The special education population ranges between 36 and 50 students annually, with the majority of the students meeting eligibility criteria for specific learning disability and speech/language impairment. Occupational therapy and counseling services are provided for special education students, 504 students, and, in some specific situations, general education students.

On average, there are 12 to 15 initial evaluations per year and 12 to 15 reevaluations per year. MET and eligibility meetings are, typically, scheduled for Wednesday and Thursday from 7:30 a.m. – 3:00 p.m. On occasion, a parent will only have limited availability and the school works to accommodate the parents as much as possible.

Villa uses e-IEP Pro and providers need to be familiar with that system to upload assessment data. The Director of Exceptional Student Services coordinates all special education and related services, schedules and facilitates the meetings, and tracks costs associated with special education. It is vital that all services are aligned to Villa Montessori’s philosophy (e.g. the development of the whole child), Conscious Discipline, and a growth mindset.
