Dear Waianae Intermediate Parents and Guardians,

At Waianae Intermediate School, the safety of our students and staff are of highest priority. We recently learned of a threat made on social media to one of our students and immediately notified the Honolulu Police Department (HPD).

All threats to our school, students, and staff are taken very seriously and are investigated thoroughly. Terroristic threats are considered Class A student conduct offenses. Penalties can range from detention to dismissal with the possibility of arrest and serious criminal charges. We wanted you to have the facts so you can discuss them with your child and emphasize the seriousness of this issue.

I would like to commend our staff, teachers, parents and students for their cooperation. The well-being of our students is a community effort and we appreciate your help as we work together to keep all our students safe.

If you have any questions or concerns, please contact our administration at (808) 697-7121.

Thank you,
