Philip Salemi, Superintendent

Superintendent's Corner - June

Dear District 92½ Community:

As the school year wraps up, I reflect on the many great things that have happened this year. The most important thing for me was having the opportunity to listen and learn from all of the students, parents, staff, and community members. You have provided me with meaningful information about our district's strengths, challenges, and opportunities for improvement while honoring the excellent work already in place. The things I heard most was that Westchester is a special place to live and that the schools are at the center of its success. I want to thank you again for giving me the opportunity to be your Superintendent. I look forward to the future and to working collaboratively with all of our stakeholders to ensure higher achievement for all District 92½ students.

I just want to remind you of some dates and valuable information regarding registration for the 2018-2019 school year.

Important Dates:

- Registration packets will be mailed on July 6
- Registration opens on July 9
- To receive the Early Bird Rate, registration must be completed by July 24, 4:00 p.m.
- Returning student registration deadline is August 3
- No registration will be accepted August 20-22

Important Changes:

- New students may register starting July 9 in person at each building. It is recommended that parents/guardians make an appointment with the school secretary.
- All registration for returning students will be done exclusively ONLINE. Proof of residency must be uploaded; no paper copies will be permitted. Video tutorials to help guide you through the process will be posted online.
- If you are going to use a vehicle registration as a proof of residence, you will have to show a driver's license with matching address.
- If you live with someone, you will need to upload residency documents for yourself and the homeowner/renter. Additionally, the homeowner/renter will need to complete and have notarized a Residency Attestation form that must be uploaded to each student's registration page. The homeowner/renter will not need to come to the school office.
- Teacher assignments and schedules will be distributed the week of August 13.

I hope you all have a safe, healthy and enjoyable summer. If you should need anything, please reach out to me via email (psalemi@sd925.org) or by phone (708-670-1927). See you in August!

Sincerely,

Philip Salemi
Superintendent
