

Community Council Election Results

2018-2019

The Willow Elementary Community Council will meet for the first time on September 18, 2018. This year we had two open positions on our community council for parents, who were interested in serving as voting members of the committee. The information was posted on Peach jar, our school website, our school Facebook and applications were available at Back to School Night. Three people expressed interest before the deadline in those positions. Therefore, we had an election the week of September 4th. Melissa Moulton and Jeremy Yetter filled the positions of voting council members. Anyone interested in attending community council meetings, please see the schedule on our website. Everyone is welcome to attend.
