Beavercreek City Schools accepting nominations for Outstanding Educator and Outstanding Classified Support Staff Award

Beavercreek, Ohio (February 22, 2019) — Do you know a Beavercreek City Schools' educator or classified support staff member who consistently goes above and beyond in our schools and in the community? One who inspires students and fellow staff members to aim higher, try harder, and do more? An educator or classified support staff member who demonstrates high expectations for self and others, and who exemplifies school spirit? Then consider nominating that individual for the Beavercreek City Schools Outstanding Educator Award or Outstanding Classified Staff Member Award. The district is accepting nominations between February 22, 2019, and March 8, 2019.

Every year, Beavercreek City Schools recognizes one outstanding educator from each of its 10 school buildings and one outstanding classified support staff member from each employment classification.

Outstanding educators may be teachers, administrators, librarians, counselors, school nurses, or speech pathologists.

Outstanding classified support staff member classifications may include but are not limited to, building administrative assistants, custodial/grounds/maintenance, special needs assistants, student nutrition, transportation employees, teacher assistants, and others.

Award recipients will be announced in March and recognized at an awards ceremony on May 1, 2019. The district has recognized more than 150 educators and classified support staff members for excellence since the award was launched in 1979

Nomination forms and award criteria are available in all of the district's buildings.
