

**ST. MARY'S**  
HIGH SCHOOL  
FRANK J. BOMMARITO CAMPUS

August 27, 2019

Dear members of the St. Mary's community,

The recent events this past weekend at two high school football jamborees in the city and county were very disturbing. Given that our first priority is the safety of all visitors and members of the St. Mary's community, the administration has decided to implement the following procedures for all home athletic events.

- Everyone and their property will be subject to a search.
- Everyone entering an athletic event will be checked by a hand held metal detector.
- No backpacks will be allowed.
- All purses will be checked.
- All athletic events will have one entrance and one exit.

The steps we will be taking are the same steps commonly followed at all professional athletic events and concerts. It is our desire to use these extra precautions as proactive steps that will provide added peace of mind during these uncertain times and to keep everyone safe at St. Mary's athletic events.

  
Michael F. England
