

# Saint Anne Weekly Bulletin

## Week of September 24, 2018

Dear Parents,

This will be an eventful week for our 7th and 8th grade students who will be making a retreat at Saint Anne Parish in Seal Beach. A retreat is a great opportunity to grow closer to Jesus, to understand the importance of our faith in our lives, and to grow deeper relationships with others. If your child is attending the retreat, make sure that you have them talk about the experience when they return home that day. The parishioners of Saint Anne Parish are preparing all of the snacks and the Subway lunch for our students and Father Ben, an associate pastor of St. Anne's, and a young newly ordained priest will be leading the retreat. We are so blessed to be able to partner with this parish!

During the school year, we plan on having other retreats for students. Our First Communion students always have a retreat as well as the fourth graders who go to Heart of Jesus Retreat Center for a vocation retreat. We are planning on having a 5th and 6th grade retreat this year, hopefully at St. Anne Parish in Seal Beach.

Students just finished the STAR Testing. This assessment will give teachers a clearer idea of what each student needs to work on to improve both reading and math. In October you will have a chance to meet with your child's teacher to go over the results of this test. You can sign up for parent conferences with your child's homeroom teacher beginning on Tuesday morning at 8am on Sycamore. This is a critical meeting as both teachers and parents need to work together for the academic success of your children and will help you know the expectations of your children's teachers. Due to availability, we ask that all families must sign up for a conference with their child's homeroom teacher first. Additional teachers are optional and will be opened up next Monday, 10/1, at 8am.

We hope that all parents of sport's members will be able to go to attend at least one game. Children love to have spectators, especially their parents. Come and watch our students grow in their ability to play football and volleyball!

September 24, Monday	Parent Conference Sign Up opens at NOON on Sycamore 2:10 Dismissal Girls' B volleyball @ home 4:30 vs St. Cecilia Boys' A Game at St. Jeanne @ 3:30 vs St. Joseph
