

“Baseball has marked the time. This field, this game: it’s a part of our past, Ray. It reminds us of all that once was good and that could be again. Oh...people will come Ray. People will most definitely come.”

- Terrance Mann (James Earl Jones), “Field of Dreams”

Dear Defenders,

St. Pius X School has been rebuilt and is bigger and better than ever. Yet, somehow baseball & softball got lost in the rubble. St. Pius holds a special place in my heart, and many of the memories came from playing sports with my classmates from Kindergarten all the way to playing at Bishop Kelley.

I’ve seen the ever-changing landscape of youth sports, namely baseball & softball, for many years now, and yet I feel that school ball is needed now more than ever. School ball affords kids an opportunity to be introduced to the game, grow as an athlete & teammate, play with their friends/classmates, and become a part of something greater than themselves. Cultivating a strong St. Pius X athletic community will not only benefit our student-athletes, but our school as a whole.

I’m asking for your help to re-build baseball & softball at St. Pius X School, 1 team at a time. I’m asking for your help coaching, your help signing up your child to play, and your help inviting other students and parents to do the same. Whether it’s Pre-K Tee Ball or 8th Grade competitive ball, we want you. If you are interested in rising to the call, please email us as soon as you can so we can get our Defenders on the field this spring.

If we build it, will you come? Thank you and GO DEFENDERS!

Respectfully,

Bryan Schooley (SPX Class Of ’98)
