Thank you for making every effort to provide these supplies for your child. Your child’s team teachers may require additional supplies, but time will be allowed to purchase these supplies once school has started. If you need assistance in providing supplies, please contact our school counselor, Mrs. Welborn. Book bags, purses, drawstring bags, etc. are not allowed in the classroom during the course of the day. All bags must be stored inside a locker until the end of the day. Please be mindful of this as you choose your supplies and how you can keep these best organized throughout the day. Students are allowed time to go to their lockers at set times during the day.
