PROFESSIONAL DEVELOPMENT

THE GRADE BOOK MUST REPRESENT LEARNING...

Grading Commitments:

- set clear learning targets & goals for students
- create meaningful assessments that accurately measure the essential standards being targeted
- provide meaningful feedback and interventions that are supportive of learning

Factors that Influence Grading Accuracy:

- penalties for time, neatness, participation, or behavior
- group scoring
- extra credit points

STUDENT ACHIEVEMENT

Second Step Curriculum:

The 6-12 School has adopted the Second Step curriculum to support middle school social, emotional, and behavior regulation and awareness. Through the addition of a middle school Target Time, teachers will have a chance to engage in a proactive learning approach with these standards, focusing deeper on the critical life skills all student require for success.
