Assistant Principals

18-19

JASON LUNA **6th Grade**

I have worked in Hemet Unified for 11 years and have been a proud Maverick for the past 9 years as a Teacher and as an Assistant Principal.

I am privileged to do what I do on a daily basis, knowing I am able to help students build character. As John Wooden said, "The true test of a man's character is what he does when no one is watching."

KARI SANCHEZ **7th Grade**

I have worked in Hemet Unified for 12 years as a Teacher, Instructional Coach and Administrator.

My grandma taught me that it is not the mistakes we make in life, but what we do with them that matters. Enjoy the journey, Mavericks!

MONIQUE KNIBB **8th Grade**

I have been working in education for 10 years as a Teacher, Program Coordinator, Instructional Coach and Administrator.

In life, there are no boundaries that hold us back. As Aubrey Hepburn said, "Nothing is impossible. The word itself says I'm possible!" It is our choice to make the possible happen.
