Students are expected to bring supplies to class, pay attention, stay on task, talk when appropriate, be respectful to all teachers, students and visitors in the classroom, avoid nuisance items, such as cell phones and toys, always try your best and not chew gum or eat in class. Students who cannot work within these expectations will have points deducted from their citizenship grades. Other actions which disrupt the learning environment of the classroom for other students will also be documented and points will be lost.
    - ii. Below is the scale for citizenship. All reports of misconduct will be documented in the teachers' grade book. This way, both the students and parents will be able to check Infinite Campus to see what his or her current citizenship grade is, and why points have been lost. Points are deducted for poor behavior, not following directions, being rude or disrespectful to the teacher or others in the classroom and for other actions not becoming of a student in seventh grade.

1. 100-85 Outstanding
2. 84-70 –Satisfactory
3. 60-69-Needs Improvement
4. 50 or less- Unsatisfactory

- iii. Optimal student learning happens only if work is done in a timely fashion. Work not turned in on time will be marked as missing, “0”, in Infinite Campus with a notation of missing.
- iv. Late semester projects will **not** be accepted. This is due to the fact that they go on the semester exam and that is already at the end of the quarter. There is no time after the fact to hand in late assignments.

f. Test retake policy –

- i. Any student can retake a quiz. Retakes will be the same information but not the same format. Retakes will be a shorten answer exam rather than a multiple choice exam. Students will be notified if new questions are added from material they have but in most cases, test are the same but in a new format. This is to ensure that students are studying for the retake and not abusing the retake system.
- ii. Retakes will be made available the week after the initial quiz and will only be available during that week. If a student does not show up to retake a quiz or never schedules a time to retake, the first quiz score will stand. No retakes of a quiz will be allowed after the retake period has expired.
- iii. Test retakes will be offered after a request to retest has been expressed to Ms. Fenn and can be before school or after school. Students must talk to the teacher and cannot just show up to retake an exam.
