Dear Parents of Hart High Seniors,

Welcome back to school! For your senior son or daughter, this is the most important year! It’s time for you to start thinking about senior tributes in this year’s Tomahawk. What better way to honor your son/daughter for his/her four years of hard work than with a special message and picture dedication? The senior tribute section has become an important keepsake for Hart seniors, and we hope this year’s class continues the tradition. Due to the limited number of pages in the yearbook, we do not accept ads from students to other students or from businesses and organizations. This section is reserved for only the families of our seniors.

All tributes must be in the front office or delivered to C-1 by October 11, 2019 at 3 pm. We cannot guarantee that any order received after the deadline will fit in the book. Please submit your orders as early as possible. The Hart High Tomahawk thanks you, as will your son and daughter when he/she sees the tribute.

Please do not send proofs of senior photos. If you do not have the actual photo, send us the image number and we can request the photo from O’Connor Photography. Also, do not forget to include a self-addressed, stamped envelope so that we can return the photos.

Thanks for your support!
