

LEAL DISASTER PREPAREDNESS PROGRAM

The Leal disaster preparedness program includes: monthly fire/earthquake drills, a staff coordinating team to direct operations, basic supplies for a 48-hour period, and an outdoor container for storage of emergency tools and supplies. **Parents are responsible for keeping the school emergency form updated. Students will not and cannot be released to anyone other than those individuals named on the emergency form. To update your form, please visit the office.**

As part of our disaster preparedness program, we are asking you to prepare and send items listed to keep at school. These items will become a part of our survival supplies. Hopefully, it will not become necessary to use these supplies; however, your child's care and safety are our primary concern.

FOR EACH STUDENT: One (1) gallon zip lock bag. Please write your child's first and last name, grade, and room number on the **OUTSIDE** of your child's bag. Use a permanent marker, ball point ink pen, or a piece of masking tape to label the bag. Bags must be sealed.

The following is a suggested list of food items to include (all items must fit inside the one gallon ziplock bag):

- Beef jerky
- Fruit Rolls
- 6 oz. plastic water bottles
- Peanuts
- Raisins
- Fruit cup with pull ring
- Granola Bars
- Dried Fruit
- Trail Mix
- Sunflower seeds

Optional items: Note to child to reassure them, family photo, lip balm or a small book— **PLEASE NOTE: these items must also fit into the one gallon zip lock bag.** Please, **NO crayons or chocolate** – they will melt. Also, food containers with foil tops (like applesauce or fruit cups) can puncture and ruin the contents of the bag.

Food items are most important. The amounts of the above food items are left to your discretion based on your child's needs. The entire bag will be returned to your child in June.

***IDENTIFICATION LABEL:** Complete the information on the right, cut and place it inside the zip lock bag. The purpose of this is to use it for quick identification during an emergency/disaster situation. The label will help in taking attendance, administering first aid, and releasing your child to an adult who you designate. When listing adults (in addition to parent/guardian) to whom you designate to have your child released, please keep in mind that in the event of an earthquake, people may only be able to walk to our school. Remember, **we will only release your child to the people listed on the emergency card.**

LEAL ELEMENTARY EMERGENCY LABEL

Student Last Name, First Name (print clearly)

Teacher/Grade Room #

AUTHORIZATION FOR EMERGENCY MEDICAL CARE: In the event you cannot be contacted and your child is in need of emergency medical attention. DO YOU AUTHORIZE MEDICAL TREATMENT FOR HIM/HER? YES NO

Name of medications your child is **ALLERGIC** to:

My child has a **CHRONIC HEALTH CONDITION**, it is:

AUTHORIZATION FOR RELEASE OF CHILD:

In the event that you cannot be contacted or cannot pick up your child, list at least 3 adults to whom you give permission to have your child released:

Name: _____

Parent Signature Date

Instructions:
