

MAY BREAKFAST

DID YOU KNOW?

We only serve milk that is rBST-free. That means it is from cows not treated with any hormones, ensuring your milk is only made of the good stuff like calcium, vitamin D and protein!

Don't forget to grab a carton of low-fat or non-fat milk with breakfast!

Breakfast: choice of 1% or fat-free milk; fresh fruit served daily except when fruit juice is offered twice per week.

Dairy-free (DF) and vegetarian (V) options available daily – if not listed on the menu, available upon request.

Chef reserves the right to change menu for seasonality and new menu innovation.
