ADAMS, MA – Berkshire Arts and Technology (BART) Charter Public School's 12th graduating class, the Class of 2019, will receive their diplomas in a ceremony at the School at 11:00am on Saturday, June 1st. The School is located at One Commercial Street in Adams.

All BART graduates have completed a community-based internship, passed a college course on a local campus, and presented a substantial portfolio of their work to a panel of community members while also completing their BART course requirements. All seniors have been accepted to at least one college.

"Our educational program is designed to prepare our students for the rigors of college," states Dr. Jay White, Executive Director at BART. "We demand quite a lot from them but are confident they leave us ready for their lives' next stages."

The graduation speaker, chosen by the seniors, will be BART's own Stephanie Watroba, Math Teacher and Team Leader. In addition to Ms. Watroba, several students and administrators are scheduled to address the class of 2019.

BART is a nationally recognized, award-winning, tuition-free public middle and high school focused on preparing students for college. To date, 100% of BART's graduates have passed a college course and have been accepted into college prior to graduation. BART does not discriminate on the basis of race, color, religion, sex, national origin, disability, sexual orientation, or gender identity.
