Immunization News - Please read carefully!!!

Proof of a health examination and immunization is mandatory for students to be enrolled in St. Francis of Assisi Catholic School in accordance with the regulation of the Tennessee Department of Education. The necessary form is available from your child's personal physician or the Memphis and Shelby County Health Department. All students new to SFA at any grade level, or if your child is currently enrolled at SFA and entering grades K and 7, an original and complete Tennessee Department of Health, Certificate of Immunization Certificate is required.

The State of Tennessee made several changes regarding REQUIRED immunizations for school attendance effective with the 2010-2011 school year. Your doctor's office will assist you to make sure your child's shots are current in accordance with the new required guidelines.

Please note, there were changes for all students entering Grades 3K, 4K, K, and 7th, and all students new to Tennessee schools.

If your child is included in the guidelines above, your child's Tennessee Department of Health, Certificate of Immunization form may be turned in any time over the summer, attention: Susan Fetz, and **must be turned in no later than registration day, August 2, 2018.**

Your child(ren) will not be allowed to start school on August 7, 2018, until their updated Certificate has been turned into the school office.

Thank you for your attention to this matter. If you have any questions, please call Susan Fetz at 381-2548.
