RE: Extension of 2019-20 School Year

Dear SUSD Families & Staff:

Due to the fact that the State is requiring us to utilize our planned emergency days in the school calendar, the last day of school has changed. Our emergency days were on the calendar as June 4 and 5 and we will be implementing them to extend the school year to **Friday, June 5, 2020**.

Please keep in mind that June 3, 4 and 5 will all be shortened days for all students. Park Side will release at 1:20pm and Brook Haven will release at 1:10pm on those short days. Brook Haven promotion will remain the same on Wednesday at 2pm.

Sincerely,

Linda Irving
