Dale J. Rubino
Principal

Dear Spotswood Students, Staff, Parents, & Community,

Welcome back to Spotswood High School for the 2018-2019 school year! It is an honor to introduce myself to you as the newly appointed Spotswood High School Principal. I am extremely excited to be "back home" in Spotswood and privileged to be granted the opportunity to lead this amazing school. My career beginnings stemmed from this very community right here in 2005. It was in this very district at Spotswood High School, I started my career as a special education teacher and athletics coach. After completing my M.A. in Educational Administration in 2012, I left Spotswood for a time to pursue the position as Vice Principal of Sayreville War Memorial High School, an experience which has cultivated many important school leadership qualities within myself over the years. Entering the 2018-2019 school year will be a memorable one for me, as I have the opportunity to lead in the very district that inspired me to be the educator I am today. I am eager to collaborate with what I recognize to be the best staff in the state and to also provide the most comprehensible, engaging, and memorable education program for our students.

Spotswood High School has always prided itself in the ability to offer a wide variety of educational experiences for our students. Student choice in academics and extracurricular activities provide a positive learning environment and enhances student leadership. My most fundamental initiatives are to provide strong leadership, which inherently promotes a positive school environment and to also deliver instruction that meets the needs of each student. With this being said, students will immediately notice my visible presence and availability that I maintain in the hallways, classrooms, and cafeteria. This allows me to effectively familiarize myself to the student population throughout the year and to build a positive rapport with my students.

If you ever have a concern, please do not hesitate to call the main office or email me. I firmly believe open communication is very important in a school and for this reason, I encourage you reach out to your child's teacher, to a member of the school counseling staff or to me with any questions you may have. I look forward to meeting you and thank you in advance for welcoming me back to Spotswood!

On behalf of the High School administration, wishing you and yours a most enjoyable Labor Day weekend and what will be a very memorable and successful school year for all.

Sincerely,

Dale J. Rubino
Principal
